The Steven Miller Quest

Pc users will be thrilled at a new role playing game created by Reldni Inc. If you own or use an IBM or compatible personal computer, be sure to check out "The Steven Miller Quest". If response for the game is good, a sequel, titled "The Phase of Aron", will be created. "The Phase of Aron" begins where "The Steven Miller Quest" ends. However, the "Phase of Aron" project has been discontinued until further notice.

The Running Away Sessions

"The Running Away Sessions" is the first Reldni Inc. release since "The Secret To Troy Scott's Scratchy Records". The tape however was just a small stepping stone for the next collection of tunes which already seems much more promising. "The Running Away Sessions" does have it's moments, especially when compared to any previous Reldni Inc. releases.

Uncle Willy of The Amazon

I took a trip to the USA.
Stopped In New York for a day.
I heard a funny fellow say.
"Glad you could make it Billy!"
It was my Uncle Willy.
Uncle Willy of the amazon.

I told you 'bout my Uncle Filbert.
Well the Elephant stepped on him.
But Uncle Willy is the greatest,
Better than my Uncle Jim.

Uncle Willy has sixty wives.
But he's divorcing one this spring.
Uncle Willy plays the Congo drums
And you should hear him sing.

Uncle Willy went to Mexico
To eat at Taco Bell
Uncle Filbert met him there
Still not feeling well.

Did I tell you 'bout my Uncle Filbert.
Well the Elephant stepped on him.
And Uncle Willy is the greatest,
Better than my Uncle Jim.

Well Uncle Jim got upset
When he heard this song.
So he broke into my house at night
Beating a large gold gong.
I thought he was a burglar
So I shot him in the head.
Well now my Uncle Filbert's
Not the only one who is dead.

Did I tell you 'bout my Uncle Filbert.
Well the Lion had a snack.
And Uncle Willy from the amazon,
Has decided to go back.

Uncle Willy could I go with you?
I'd like an adventure too.
He said Okay, let's go today.
To the amazon we flew.
